To Whom It May Concern,

We at Woodloch Pines Resort, an all-inclusive family resort in the Pocono Mountains of Pennsylvania, recently featured the Family Fitness Weekend, March 7th to March 9th, 2014, as part of our Active Vacations Program which promotes wellness and the importance of staying healthy as a family. We had the distinct pleasure of hosting Len Saunders, who was key in motivating our guests and hugely contributed to the overall success of the weekend.

Woodloch Pines Resort is committed to extending genuine hospitality to our guests and features a diverse range of activities intended to bring families together in a fun and safe environment. Len's approach to family and fitness parallels our own commitment, and he brought great energy and enthusiasm to our resort. From leading fitness events and interacting with our guests to volunteering as a judge for our "Zumbathon," Len displayed the highest level of expertise and professionalism throughout the entire weekend. He received many kudos and thanks from guests and staff members alike for his dedication to fitness.

We would be honored to have Len join us again in the future. We thank him for his important contributions and wish him all the best as he continues making a positive impact in communities.

Sincerely,
